(G.O. Ms. No. 7/2012/PRD/PF, dated 11th October 2012)

ORDER

His Excellency, the Lieutenant-Governor is pleased to notify the Planning and Research Department, Puducherry as Nodal Department and Secretary (Planning) as Nodal Officer for implementing the Public Private Partnership Programmes in the Union territory of Puducherry. Approval is also accorded for setting up of Public Private Partnership (PPP) Cell in the Planning and Research Department.

2. The functions of the Public Private Partnership Cell would be as follows:

- To identify, conceptualize and create a shelf of projects in consultation with the line departments and recommend approval of suitable projects for implementation on PPP route.
- To assist different Government departments in preparing the pre-feasibilities reports through consultants.
- To assist the respective departments in preparing the detailed project reports.
- To appoint/select consultants to develop the projects in consultation with the concerned department.
- To help respective departments to conduct the bidding process for selection of developers.
- To interact with the Government of India and other funding agencies for obtaining their support.
- To act as a Nodal Agency for capacity building for PPP in the State, conduct/recommend exposure visits and training programmes on PPP.
- To develop internal evaluation guidelines in consultation with the respective departments to evaluate and assist the projects whether the projects are to be funded by the State Government, or implemented with private sector participation.
- To recommend projects to Government of India for grants under Viability Gap Funding Scheme.
- To inspect, visit, review and monitor any PPP project under implementation in the State.

(By order of the Lieutenant-Governor)

A.S. VIJAYALAKSHMI,
Deputy Secretary to Government.
